RECEIVING STOLEN PROPERTY.

An Employee of the Honolulu Iron  
Works the Thief.

An elderly Chinese tinsmith was  
arrested by Detective Larsen's men  
this morning. He was charged on  
the clerk's book with receiving stolen  
goods. The stolen goods were six  
blocks of tin each weighing eighty  
pounds, and valued at \$20 a block.  
The following marks were on them:  
H I W. They were stolen from the  
Honolulu Iron Works. The China-  
man was interrogated by Larsen and  
his men, with the result that a  
charge of larceny will be lodged  
against a native employee of the  
foundry. The Chinaman asserts  
that the native sold the tin to him  
for \$8 a block. He had delivered  
the metal one block at a time and  
collected his money every time. The  
Chinaman, as is usually the case,  
pleads innocence in regard to know-  
ledge of the metal being stolen prop-  
erty. He was locked up anyhow  
at noon. The thief will be appre-  
hended this afternoon.

Cured of Rheumatism by  
Hood's Sarsaparilla.

"C. I. Hood & Co., Lowell, Mass."  
"I was taken down with rheumatism over a  
year ago. I was sick for over six months.  
Often I would have such pains that I could  
hardly endure them. A friend came to me and  
advised me to try Hood's Sarsaparilla. I took  
him at his word and got a bottle of it, and since  
have taken eight bottles of it.

It has cured me  
When the doctors could do me no good what-  
ever. After being benefited so much from this  
medicine I describe Hood's Sarsaparilla as a  
wonderful medicine. I also advise every one  
who is troubled with rheumatism not to be with-  
out Hood's Sarsaparilla. I am a farmer, and  
the medicine has given me much energy and  
strength to perform my work." GEORGE W.
